KEVIN J. WILLEY
CHIEF OF POLICE

Date: _____

The Farmington Police Department is looking for assistance in creating a large animal database in the event animals become loose so that we may be able to identify them and return them safely to their home. We would like to keep your information on file and update it as necessary. Please fill out the following form and mail it back or drop it off at the department at your convenience. Thank you for your assistance!

Name: _____ Phone Number(s): _____

Address: _____

What types of animals are at your residence (Please include how many animals and specific descriptions):

How is/are your animal(s) usually contained (fenced in area, barn, etc.)?

Emergency Contact Info (who can we call if your animals are loose and we cannot get in touch with you)?

Name(s): _____

Phone Numbers(s): _____

Do you have transportation arrangements in place if your animals(s) do get loose? YES NO

What are those arrangements? _____

Occasionally the Farmington Police Department cannot locate the owner of an animal or cannot transport the animal due to its size; would you be interested in assisting the department in either holding or transporting an animal in case of an emergency? (If yes, please let us know how you would be able to assist i.e. trailer, barn, etc.):

If you have any additional questions, please feel free to contact ACO Kate Koval at 603-755-2731 x 209 or at kkoval@farmingtonpd.com.

Thank You,
ACO Kate Koval
